OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 3148/119 Encls 3 Mysore, 23rd September 1899

From

H J BHABHA Esq,
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments

SIR

I have the honour to inform you that at a meeting of the committee of the Government Industrial School, Mysore held on the 11th instant, a proposal for the manufacture of tiles, bricks and drain pipes, in the Govt Industrial school, Mysore was considered and passed by the committee The cost for the first year is estimated at Rs 30,680 and will be considerably less in subsequent years Full details of the proposal are given in the Secretary's Memo submitted herewith and the plans and Estimates accompanying it As there exists a large demand for bricks tiles and pipes, which are proposed to be manufactured, there is every reason to hope that the undertaking

will prove successful and in a few years the works will be in a position not merely to pay their own way but to yield considerable profit I beg therefore to commend the proposal to the best consideration of Government and to request that it may be sanctioned I request that the enclosures may be kindly returned when no longer required

I have the honour to be,
Sir,
Your most obedient servant
H J Bhabha
Inspector General
